

Regular German Language Courses and Preliminary Induction Semester

at the Internationales Studienzentrum at Heidelberg University

Information about the application process

for international applicants with a foreign higher-education entrance qualification

- winter term -

I. Application for the regular German language courses at the Internationales Studienzentrum (without an application for a specific subject at Heidelberg University)

There is a two-step application process for admission to a German language course at the Internationales Studienzentrum (ISZ): Besides the application for the German language course at ISZ of Heidelberg University, you must also apply for a so-called **Vorprüfungsdokumentation** (assessment of prior education) with uni-assist e.V. in Berlin. Without this *Vorprüfungsdokumentation*, your application for admission cannot be included in the selection process.

Step 1: Application for a *Vorprüfungsdokumentation*

Uni-assist e.V. is a service institution for international applications. They assess the educational background of international student applicants. The application for a *Vorprüfungsdokumentation* with uni-assist e.V. must be made **online**. All required documents must reach uni-assist e.V. in due time. We therefore suggest you hand in the documents four weeks before the deadline, in order to give yourself time for possible further enquiries.

Online portal: <http://www.uni-assist.de>

Application deadline: **01.07. of each year** (date of receipt at uni-assist e.V.)

Address: Universität Heidelberg / Internationales Studienzentrum
c/o uni-assist e.V.
D-11507 Berlin

At the end of the online-application process, a PDF document is generated, which you must print out, **sign** and – together with all required application documents – send to uni-assist e.V. in Berlin **in due time**. Please note that all application documents given in the following list must be handed in as **certified copies, along with a certified translation into German or English**. Please refer to uni-assist's guidelines on certified copies and translations. Incomplete application dossiers cannot be included in the selection process for a place in our regular German language courses.

Required application documents:

- Certificate or diploma entitling you to embark on a university course in your home country (e.g. Baccalauréat, GCE–A&O-Levels, etc.), including a list of grades
- When applicable: university admission exams taken abroad, and/or letter of admission from a foreign university
- When applicable: all higher-education certificates (from colleges, academies, universities, etc.) that you have already obtained, including lists of grades per semester or year of study (transcript of records). Any semesters taken at a German higher-education institution must be documented by enrolment certificates (original or certified copy).
- Applicants from Mongolia, Vietnam and the PR of China: **Original** APS certificate

Please note that uni-assist e.V. **charges a fee** for the issuing of a *Vorprüfungsdokumentation*. Your application will not be processed until the full amount has been booked into uni-assist's bank account. Information on the current fees and mode of payment is available at <http://www.uni-assist.de>.

You will receive your *Vorprüfungsdokumentation* for your application at the Internationales Studienzentrum at Heidelberg University via e-mail and regular mail. Please make sure you give uni-assist e.V. your current e-mail and postal addresses.
